

Successful Project Outcomes

Achievable, measurable,
and aligned with
organisational goals.

Project Manager

Makes sure everyone has
what is needed, tracks
and reports progress, and
mitigates risk.

Change Manager

Engages everyone in the
change required and helps
others to understand what
is needed to get there.

Project Team

Have the skills and capacity
needed to complete the project.
Believe in the change and
communicate effectively.

SURVIVING THE PROJECT JUNGLE
